

Polar Bears in Sweaters

TIME: 40-50 min

MATERIALS

- White paper
- Pencil
- Sharpie
- Colouring tool of your choice
- (crayon , pencil crayon, paint etc)

STEPS

- Start by drawing a large oval on the middle of the page for the head.
- Towards the top, draw an ear on either side of the head. You can erase the bit that connects the head and the ears.
- Draw an "avocado" shape for the snout. Inside, add a nose.
- Draw two eyes above the snout.
- From the bottom of the head, draw two curved lines, going towards the bottom of the page for the sweater.
- You can design the sweater any way you like. I did some curved horizontal lines and did a pattern in each one
- Trace all lines with a Sharpie. Now add some fur to the face and ears.
- Colour your project using the colouring tool of choice.
- Add some snowflakes falling around your bear.
