

Santa in the City

TIME: 45-60 min

MATERIALS

- White paper (1 sheet for background, one 1/2 sheet for Santa)
- Red, black and tan marker
- Pencil
- Glue

STEPS

- Start by drawing Santa (feel free to use any directed drawing video to help out).
- Colour in Santa using the markers and cut him out, set aside.
- On the white background, draw a city scene. Add buildings, roads and you can even add a moon and stars.
- Once the background is complete, glue Santa somewhere in the city.
